Weekly Review

What moved forward?

When was focus easiest?

What distracted me most?

What can I remove or simplify?

What matters most next week?

One routine I will keep:

PRINTABLE PLANNER

Filled Example

ONE MEANINGFUL OUTCOME

Send the revised proposal with a clear recommendation.

NEXT ACTIONS

- [ ] Open the feedback notes
- [ ] Revise scope and timeline
- [ ] Write the recommendation email

DISTRACTION DATA

10:20 - checked messages after a difficult paragraph. Change: keep messages closed until the 50-minute block ends.

14:05 - remembered an unrelated invoice. Change: write it in the capture lane and return to the plan.
